**CHILDRENS' CLOTHING DONATED**

**Waccamaw E.O.C., Inc. received a wonderful surprise from the Myrtle Beach Masonic Lodge on Thursday, September 18, 2008. Members of the Lodge delivered 200 plus items of children's coats, clothing, etc. to be distributed to the children enrolled in our agency's Head Start Program. These items of clothing could not have come at a more appropriate time of year with cool weather approaching. They will be put to great use by those children who are in need.**

**Waccamaw E.O.C., Inc. currently has 774 three and four year children enrolled in our federally funded Head Start Program throughout Georgetown, Horry and Williamsburg counties. Our agency provides a full day child development program from 8:00 a.m. – 2:00 p.m. and serves breakfast, lunch and a snack to each child enrolled. In addition, our Head Start Program ensures that the children receive needed medical services, including age appropriate screening and immunizations, dental check-ups, and nutrition and social services.**

**Pictured from the Myrtle Beach Masonic Lodge are Mike Madden, Senior Warden, James McKenzie, Junior Warden, Jim Apone, Master, and Brian Moniz, Senior Deacon.
